# CABINETS

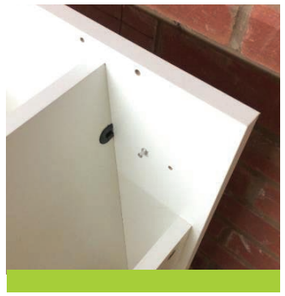
Features and benefits

Installers love our cabinets and we believe they're the best out there!

All panels are fully PVC edged to protect against moisture penetration

Adjustable service void offers flexibility when accommodating pipework 45-70mm

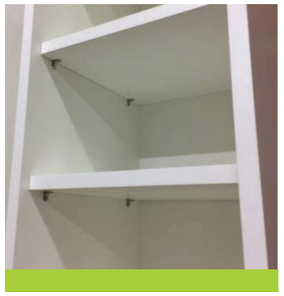
Concealed wall hanging bracket creates a clean look and offers a 15mm wiring void



Removable back panel in base units - a simple yet easy way to aid installation and service access

Robust adjustable legs protect against moisture ingress and is an easy way of making the cabinet level

All 18mm thick high density panels in base cabinet means no weak points - they're extra sturdy!



Minimum holes in side panels for a clean, high end appearance

330mm deep wall cabinets as standard give ample storage and will fit a 12 inch dinner plate

# HINGES&DRAWERS

Our hinges are manufactured in Salice's state-of-the-art factory in Italy to the highest quality standards. Cabinets come with soft close hinges as standard.

### Soft Close

SALICE

Your kitchen will come with our quality, soft close Excel drawer box as standard, so you can be confident it will stand the test of time.

### Excel

- Soft close
- Twin walled
- 30kg load bearing capacity

Note: from October 2020 our Excel drawer box is being upgraded to an anthracite colour
