

Sheffield Style Cycle Stands With Locking Point Stainless Steel

All 'Sheffield Style Cycle Stands' supplied by AUTOPA Ltd. that have the addition of the locking point plate have recently been approved by Sold Secure.

Cycle stands with the locking point achieved both SS104:2020 - Diamond (Pedal Cycles) & SS105:2012 - Gold (Security Posts) (The lock must pass through the plate and around the cycle stand tube)

Sold Secure products are evaluated using methods approved by the Police and the Home Office

Available in Stainless Steel, either ragged for casting into concrete or flanged for bolting onto a suitable concrete surface (Flanged stands need to be secured using 'Sold Secure' approved fixings).

Part Number

138 815 700
