

BOLTED GLASS BALUSTRADES

ion

■ GLASS FOR LIFE

Ion Glass wholly bespoke frameless balustrades provide maximum glass with minimal visible fixings; sleek and contemporary our bolted balustrades are exceptionally stylish and versatile.

Equally suitable for commercial or residential properties, church or heritage buildings they are perfect for balconies, staircases, mezzanines, terraces and suspended galleries.

- Frameless design with minimal fixings
- Fix directly into timber, stone or metal substrate with stainless steel bolts
- Single or double rows of bolts
- Suitable for internal or external installations
- Install with or without a handrail
- Straight or curved glass panels (or a combination)
- Each installation is wholly bespoke

Ion Glass bespoke balustrades can be specified in a choice of fixings and finishes including:

- Clear float glass
- Low iron extra clear glass
- Sandblasted glass for an opaque or decorative finish
- Tinted or coloured glass
- Digitally printed glass with full colour imagery
- Brushed or polished stainless steel bolts; colour matched powder coated finishes available

We offer individual, location specific advice on the appropriate bolts, fixing methods, glass size and glass specification to ensure compliance.

Service

All projects are surveyed to confirm the design, layout, initial measurements and templated as required. All our installations are carried out by fully trained and experienced Ion Glass technicians, managing logistics and lifting procedures throughout the process. Ion Glass guarantees that all our glass balustrade installations are BS6180:2011 compliant.
