

EXTERNAL CANOPIES

ion

■ GLASS FOR LIFE

A bespoke Ion Glass canopy makes a stylish, individual and practical design statement over your entrance or can provide aesthetically pleasing protection from the weather in communal areas.

Ideal for use in commercial buildings, hotels and leisure environments, heritage and listed buildings, individual homes, roof gardens or smoking areas, terraces or walkways.

- Frameless designs for a contemporary and minimal result
- Suitable for over doors and entry ways
- Can be attached to buildings or free-standing
- Create sheltered walkways or communal spaces
- Bespoke design and manufacture
- Fully compliant with all relevant regulations

Ion Glass bespoke canopies can be specified in a choice of glass options and fixing methods including:

- Curved or straight glass with curved or straight edges
- Clear float glass
- Low iron extra clear glass
- Sandblasted glass for an opaque finish
- Satinated glass
- Tinted glass
- Include a glass manifestation or sandblasted logo
- Individually specified metalwork and fixings, usually a cantilevered arm fixed above or below the glass with either tie bar or point fixings
- Stainless steel fittings with the option to include a range of finishes

We offer individual, location specific advice on the appropriate bolts, fixing methods, glass size and glass specification to ensure compliance.

Unrivalled Service

All projects are surveyed and templated as required to confirm the design, layout, initial measurements and fixing details. All our installations are carried out by fully trained and experienced Ion Glass technicians.
