

BATHSCREENS

ion

■ GLASS FOR LIFE

Ion Glass wholly bespoke frameless bathscreens offer a sleek, sophisticated result with minimal visible fixings. With the option of single or multiple panels, fixed or folding they are equally suitable for use in hotel or residential properties, optimising the use of an over-bath shower.

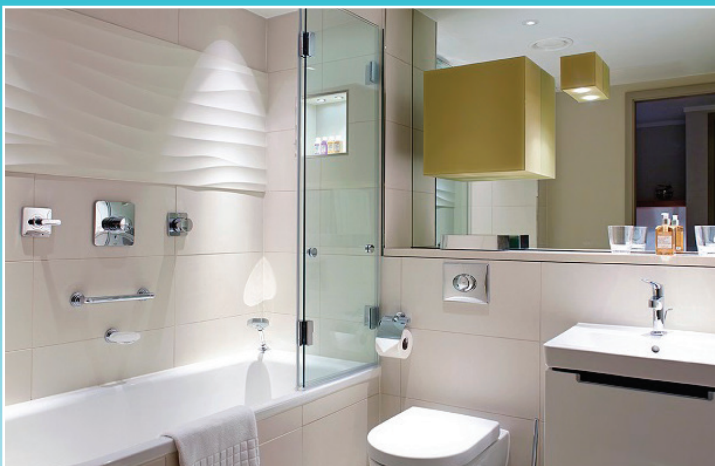

- Frameless design with minimal fixings
- Each installation is wholly bespoke
- Single fixed wall hung screens or single panel hinged screens
- Bi-fold or tri-fold screens folding back against the wall
- Bi-fold or tri-fold screens folding back against a fixed glass panel
- Multiple combination screens to provide full bath coverage
- Accommodate unusual spaces, sloping ceilings or cut outs

Ion Glass bespoke bathscreens can be specified in a choice of glass options and fixing methods including:

- Clear float glass
- Low iron extra clear glass
- Sandblasted glass for an opaque or decorative finish
- Tinted or coloured glass
- PermaClean application for easy cleaning
- A choice of hinges including polished chrome, brass or nickel, stainless steel or brushed finishes

We offer individual advice on the appropriate fixing systems, glass size, glass thickness and specification for the optimum result.

Service

All projects are surveyed to confirm the design, layout, initial measurements and building compliance. All our installations are carried out by fully trained and experienced Ion Glass technicians, managing logistics and lifting procedures throughout the process.
