### HANDS-FREE SANITISER DISPENSER

Pedal-operated stainless-steel dispenser that works with any hand sanitiser with push in top. No installation required. Optional ground fixings available.

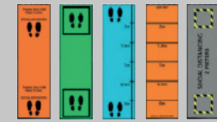

### GRIPFIT EDGING

Providing extra safety for throw down mats. No adhesive required. No visible fixings.

### THROWDOWN MATS - 2M DISTANCING

Ensure 2m social distancing with our range of rubber backed mats. Combine with Gripfit® edging for additional safety.

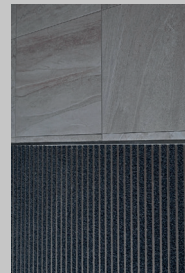

### BELT BARRIERS

Retractable belt available in a choice of colours. 4 way connectivity compatible with all major brands.

### MATting RENEWAL/ EXTENSION/DEEP-CLEAN

Entrance Matting is your building's first line of defence against foot borne contaminants. Make sure it's performing at its best with a deep clean, brand-new installation or extension. Wide variety of recessed, low profile and surface mounted options available.

### 2M DISTANCING FLOOR STICKERS

Bespoke sizes and designs available to help communicate your brand and social distancing messages.

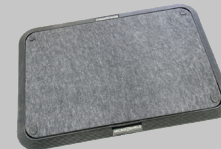

### SEATING AND WAITING AREA SCREENING

Ideal for seating and waiting areas where social distancing is challenging.

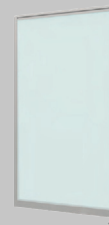

### SANI-STATION

Storage unit with integral bin and back panel with dispensers for sanitiser and anti-bacterial wipes.

### FOOT SANITISER MAT

For use with disinfectant treatments to create an aggressive infection control barrier. Replacement inserts available.

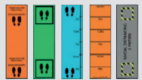

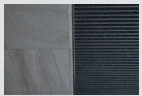

### FLOOR-STANDING SCREEN

Suitable for lane dividing, lifts or to create a clear full-height barrier.
