

2 in 1 Glass Protective Screen

- 2 in 1 Protective Glass Screen
- 4mm tempered glass
- Brushed stainless steel feet
- height adjustable
- Desk divider /Counter protection

About the Product

2 in 1 screen/divider. The screen is made from 4mm tempered glass and has stainless steel feet. When the glass is positioned flush with the feet it makes an ideal desk divider. The glass is height adjustable allowing a 110mm gap at the bottom so documents and cash can be passed through making it perfect for counter standing in places use such as receptions. Available in two sizes 515mm high x 680mm wide and 515mm high x 1050mm wide

Installation

The screen can be just placed on a desk or counter and is supplied with felt pads to protect the surface. Alternatively it is also supplied with double sided adhesive tape.

Lead Time

15 working days from order.
