

A Lovely Entrance – a Strong Performance!

Top Clean entrance mats with exceptional design are an eye-catcher. Collecting dirt efficiently, they also ensure a high level of safety and cost effectiveness. Our all-purpose entrance matting systems may be used in inside, intermediate, and outside areas. Profiles with various materials collect foot-borne coarse dirt and humidity outside the building, thereby significantly reducing the risk of accidents on slippery floors. Thanks to a range of available heights and material components with varying degrees of thickness, we are able to provide optimal solutions with the seal of quality "Handmade in Germany" for any entrance area.
