Attractive windows & the perfect light can change everything from your room to your mood

For over 60 years we've mastered the art of window styling with our exclusive custom made window treatments and styles to suit any window size or shape. At Luxaflex® great products start with great design - light control, energy efficiency, privacy and child safe operation are just some of the features that make your home smarter and every window more stylish.

Innovation - Quality - Style

Our international design team creates exclusive colours, patterns and designs, with on trend looks to reflect your personal style. Our commitment to quality means every product in our collection has been rigorously tested to meet the Luxaflex® quality guarantee and give you years of pleasure and beautiful light control.

Sustainable Design

Luxaflex® contributes to a more sustainable and healthy environment through the careful design of our innovative products, the responsible materials we select and the latest production techniques that support sustainability. Recycling materials and continually sending fewer materials to landfill are key parts of our commitment.

Energy Efficiency

As much as 50% of a home's heating and cooling energy can be lost through its windows, which is why Luxaflex® has designed the most energy-efficient window treatments to help you insulate your home all year round.

Privacy and Light Control

Our products are designed with a range of flexible light control and privacy options in an exclusive range of fabrics, materials and opacities from sheer to opaque to room darkening. Our innovative manual and motorised operating systems provide you with flexible privacy and light control options.

Designed with Safety in Mind

There are many different ways to enjoy safe and effortless operation of your Luxaflex® products with innovative child safe controls for every window in your home. With cordless and motorised operating systems, Luxaflex® offers award winning options for enhanced child safety.

Energy saving style

Duette® Shades

Over 50% of a home's heating and cooling energy can be lost through its windows, that's why we designed Luxaflex® Duette® Shades to help keep your home cool in the summer and warm in the winter. An industry innovation and the next generation in energy efficiency, our Duette® Architella® Shades have a patented honeycomb-within-a-honeycomb construction, with three air pockets that can help reduce the heat loss at the window by 40%. All our Duette® Shade designs enhance energy efficiency and can also help improve the acoustics of the room.

Couture Collection: Exclusive designs & tactile textures create a unique style for your windows.

Sleek style

Venetian Blinds

Create light control and privacy with this design classic. Introduced by Luxaflex® in the 1950's our Venetian Blinds have created an iconic and enduring style for windows, with excellent light control, privacy and inspiring designs. Quality is the hallmark of Luxaflex® Venetian Blinds, which are made with highly resilient aluminium slats which "bounce back", ensuring your blinds won't lose their shape.

MegaView® Blinds: The special tilt feature gives you twice the view of ordinary venetian blinds.

Top-Down/Bottom-Up: Operate your blind from the top, the bottom or somewhere in between for the perfect balance of light and privacy. Top-Down/Bottom-Up is available with Duette® Shades, Plissé Shades, Venetian Blinds and Roman Shades.

Uniquely decorative, with
a shape that suits your style

Pleated style

Plissé Shades

The smart style of Plissé Shades never goes out of fashion. Liven up your living room, revitalise your conservatory or turn a bedroom into a relaxed, peaceful sanctuary.

Plissé Shades are also perfect for Tilt and Turn doors, windows and hard to reach roof windows, fitting perfectly into the frame without making holes and guaranteeing a neat and stylish finish.

Style for large windows

Vertical Blinds

Elegant simplicity for larger windows. Vertical Blinds offer a stylish and practical solution for standard windows, sliding doors and grand floor to ceiling windows. It's great to enjoy the light, but at times you also need extra sun protection as large windows can make a room uncomfortably warm. If you are overlooked by neighbours, versatile Vertical Blinds let you adjust the vanes for extra privacy. When the vanes are closed, you can also enjoy UV protection helping prevent fading of your furniture, carpets and floors. Choose from aluminium and PVC slats with mix and match design and finishing details to create an individual look.

Sheer style

Silhouette® Shades

Superbly stylish Silhouette® Shades take the harshest sunlight and smoothly transform it into beautifully diffused natural light. Crafted with two layers of sheer fabrics, Silhouette® Shades disperse the light softly in your room whilst filtering out brightness and glare, so you can just enjoy the view. And with our special screen fabrics designed to deflect and dim the sun's heat, you can reduce the heat entering the room by up to 25%.
