

### **Special Features**

- ▲ SAFE AND HYGIENIC
- ▲ SPACE SAVING

### **Description**

The stainless steel bed pan / bottle rack is designed to safely store bed pans and bed bottles in a convenient and space saving unit. Ideal for use in hospitals and nursing homes in conjunction with any of our HTM64 sluice units. The rack is designed for wall mounting and is available in five sizes to hold 4, 6, 8, 10 or 12 bottles and pans.

### **Sizes**

4 bottle / pan rack:	480 (L) x 260 (W) x 600 (H)
