SECURED BY DESIGN CERTIFIED

The **DAD009** mailbox range has been **successfully tested to achieve TS009:2019 Level 2 accreditation**. This is officially the most secure postbox available in the UK and strongly recommended by Secured By Design Officers in the SBD Homes 2019 Guide. The best answer against mail theft and ID theft. Don't compromise, choose a **Certified TS009:2019 mailbox**.

Width **335** x Height **265** x Depth **180** mm
Aperture **235** x **35** mm

DAD009

Width **335** x Height **380** x Depth **330** mm
Aperture **240** x **35** mm

Please be very careful when making your choice of mailbox because certain companies are misleading their clients to increase their sales. When a Secured by Design or TS009 is specified for a project, **always ask for the certificate!**

Established in 1989, **Secured by Design (SBD)** is a Police initiative to guide and encourage those engaged within the specification, design and build of new homes or apartments, to adopt crime prevention measures. Secured By Design is owned by the Police service and is supported by the **Home Office** and referenced by the **Department for Communities and Local Government** in **Approved Document Q**.
