

DECAYEUX

DAD COLLECTION

Leather

DAD has started a new partnership with **Gordon & Gaya** :
The Leather Collection

The workshop :

A young dynamic team who are passionate about their work !
Thanks to this team compiled of saddle makers and seamstresses, with unique skills, the workshop is now recognized for its exclusive high quality.
Bespoke and personalised creations or renovations. Be different !

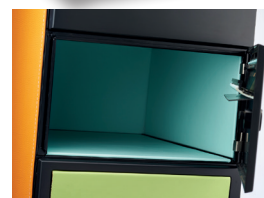

When the excellence of the leather meet the resistance of the steel

- Secure electro-galvanised steel mailbox
- 1.2mm thick electro-galvanised steel door
- Front aperture with mail restrictor

Large choice of colours
