4 easy steps to get your rewards

Sign up your company to the Cooling United Club by Danfoss

This is easily done at cooling-united.club or via the mobile app.

Register your invoices

E-mail, take a photo, or upload your invoices to your company membership account.

Collect points

Once you have earned 500 points, you will receive an email to activate the cashback.

Receive cashback

With your company membership, start spending your cool cash as your company VISA card arrives in the post.

What are you waiting for?

Download the app and sign up your company now at **cooling-united.club**
