## ParaFlex Kiln-dried Sand

## Product Data Sheet

# ParaFlex <br> Kiln-dried Sand 

## General Information

ParaFlex Kiln-dried quartz sand with a grain size of $0.3-0.8 \mathrm{~mm}$ for hand casting into the wet surface of the applied
ParaFlex Primer.

## Installation Instructions

The substrate should be primed with ParaFlex Primer prior to the immediate broadcasting of the kiln-dried quartz sand into the wet ParaFlex primer.

## Delivery conditions

25 kg bags, 40 bags per pallet.

## PRODUCT DESCRIPTION

| Appearance |  | White/mixed quartz sand |  |  |
