

# Elements® with glass

A touch of class.

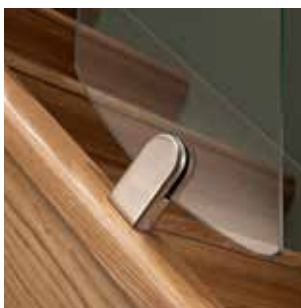

Elements with Glass in white oak

Contemporary glass panels and sleek Brushed Nickel fittings compliment the clean lines of Elements with Glass to create a look that has a modern edge with a hint of tradition.

Elements with Glass is quick and simple to install using easy fit brackets. It even comes with half width glass panels – ideal for short runs on landings.

It's fully tested for domestic use and offers Richard Burbidge's renowned quality supplied ready to finish.
