

Sovereign SX70 Basecoat

A solvent-based coating for use as a finish coat over SX70 Woodstains, to enhance the colour and give a semi-sheen finish.

Product Code
30806069

Description

Sovereign SX70 Basecoats are solvent-based coatings for use on all types of untreated soft or hard wood. Basecoats are designed to give a good degree of protection from the workshop until fitted on site. As with all SX70 products Basecoat is microporous and as such allows the wood to breathe.

Note: Sovereign SX70 Basecoats are not sealers and should not be used as, e.g. knotting primers.

Form Supplied: Liquid, ready to use

Pack Sizes: 5 litres

Colour Range: Pine

Contains: Long oil alkyd resin and speciality additives

Properties

As with all SX70 products Basecoat is microporous and as such allows the wood to breathe. SX70 Basecoats can be applied by brushing, dipping or spraying to give a good degree of water repellency and anti fungal growth.

SX70 Basecoats, once applied, should be stained or painted as normal with a conventional paint/stain system. This must be done within 3 months of SX70 Basecoat application.

PREPARATION/USAGE

New timber should be lightly sanded in the direction of the grain and then dusted off.

Oily or resinous timber must first be washed down with white spirit and allowed to dry.

Shake well or stir by hand using a wooden stick prior to use. Apply using brush, dip tank or spray. Ensure spray equipment can handle solvent-based coatings. Allow to dry. Only one coat is necessary to protect wood prior to finishing.

When used in a dip tank it is imperative that timber is dry and free from sawdust. Failure to comply will result in sludge formation.

DRYING TIME

Typically touch dry in 3 - 4 hours under ideal conditions

CLEAN UP

Use white spirit or brush cleaner on tools and brushes.

COVERAGE

Approximately 8 - 10 m² per litre.

Storage: Between +5°C and 30°C.

Shelf Life: 12 months unopened.

HEALTH & SAFETY

- ! Flammable liquid.
- ! Keep out of reach of children.
- ! Keep away from food, drink and animal feeding stuff. When using do not eat, drink or smoke. Avoid contact with skin and eyes.
