

HT2285

Blue Steel Pool Trowel 16" x 4"
Round Front and Square Backed
Carbon Trowel

HT295BPF

Blue Steel Pool Trowel 20" x 5"
Round Ended Hand Trowel for quality
steel finishing without trowel marks with
ProForm handle

HT279

Blue Steel Pool Trowel 16" x 4"
Round Ended Hand Trowel for quality steel
finishing without trowel marks

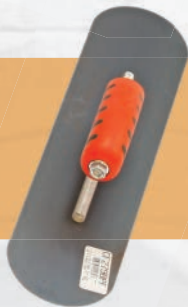

HT296

Blue Steel Pool Trowel 24" x 5"
Round Ended Hand Trowel for quality
steel finishing without trowel marks

HT279BPF

Blue Steel Pool Trowel 16" x 4"
Round Ended Hand Trowel for quality
steel finishing without trowel marks
with ProForm handle

HT332

Handle Adaptor
To use with groovers and camel brackets

HT288

Blue Steel Pool Trowel 20" x 5"
Round Front and Square Backed
Carbon Trowel

HT658

Pool Trowel Camel Bracket
To convert fixed handle to swivel handle

HT295

Blue Steel Pool Trowel 20" x 5"
Round Ended Hand Trowel for quality
steel finishing without trowel marks

HT738B

Blue Steel Pool Trowel 18" x 4"
Round Ended Hand Trowel for quality
steel finishing without trowel marks

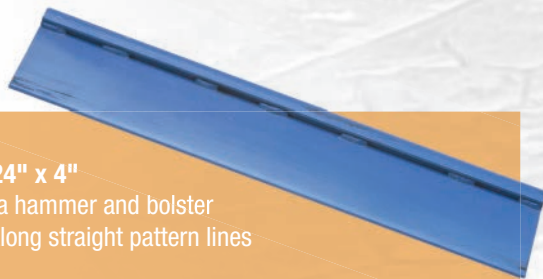

HT4435

Blue Steel Pool Trowel 10" x 3"
Carbon Pool Trowel - ideal for small
areas and contracting colour borders

CUTBAR**Cutting Bar 24" x 4"**

Quicker than a hammer and bolster
for soft cuts along straight pattern lines

**HT167B****Walking Edger**

10" x 10"

Edger including handle

**HT125****Mini Edger**

For radius edges on tight curves

**HT168****Edging Trowel**

8" x 4" x 1/4" radius

Flat Radius Edger

**HT128****Edging Trowel 6" x 3" 1/4" radius**

Fluted Radius Edger with flared ends
for easy use

**HT277****Walking Groover 8" x 8"**

For cutting control joints when
concrete is still soft

**HT129****Edging Trowel**

8" x 5" x 3/8" radius"

Flat Radius Edger

**HT360****Bronze Edger**

Durable edger for plain concrete
and floating colour hardener into concrete edges

**HT167****Edging Trowel**

8" x 4" x 3/8" radius

Flat Radius Edger

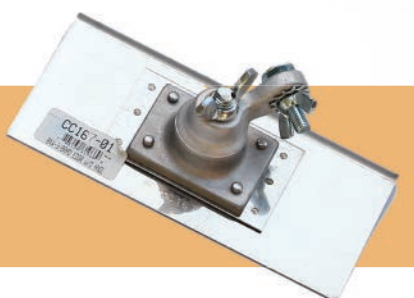

**HT600****Stainless Steel Edger**

12" x 5" Edger 3/8" radius with
adjustable groover 3/4" bit

**HT167A****Walking Edger**

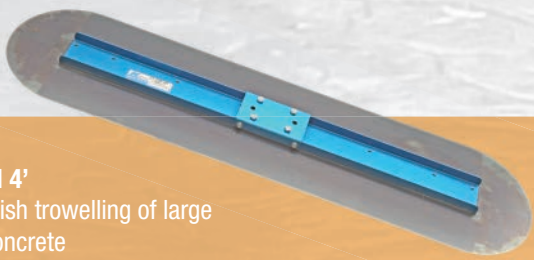

8" x 5" x 3/8" radius

Edger including handle

**HT607****Stainless Steel Edger**

12" x 5" Edger 3/8" radius with
adjustable groover 1/2" bit

HT750
Bulltrowel 4'
For fast finish trowelling of large areas of concrete

HT821
Fresno Trowel 30" x 5"
Quality finishing trowel for awkward smaller areas or drier concrete surface

HT755
Bull Trowel Weights
Weights provide extra pressure to improve the ease of trowelling

HT822
Fresno Trowel 36" x 5"
Quality finishing trowel for awkward smaller areas or drier concrete surface

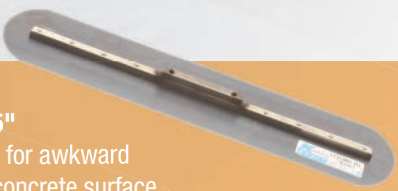

HT760
Tilt Bracket
Option for use with Bulltrowel HT750 and all Fresnos

HT911
Fresno Trowel Weights
Weights provide extra pressure to improve the ease of trowelling

HT796
Knucklehead Tilt Float Button Bracket
Option for use with Bulltrowel HT750 and all Fresnos

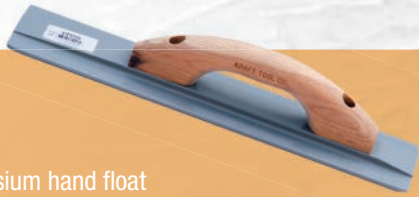

HT820
Fresno Trowel 24" x 5"
Quality finishing trowel for awkward smaller areas or drier concrete surface

HT016 Mag Float

16" x 3"
Hard wearing magnesium hand float

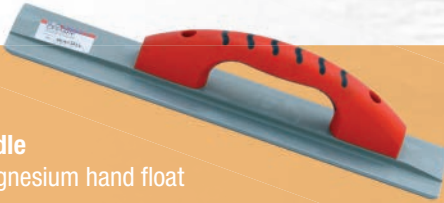

HT760 Tilt Bracket

Option for use with
Bull Floats HT802 & HT803

HT016PF Mag Float

16" x 3" PF Handle
Hard wearing magnesium hand float
ProForm handle

HT796 Knucklehead Tilt Float Button Bracket

Option for use with Bull Float
HT802 & HT803

HT020 Mag Float

20" x 3"
Hard wearing magnesium hand float

HT802 Magnesium Bull Float 4'

For fast floating of large areas
of concrete

HT020PF Mag Float

20" x 3" PF Handle
Hard wearing magnesium hand float
ProForm handle

HT803 Magnesium Bull Float

48" x 8" Round End
For fast floating of large areas
of concrete Round End

HT076 Mag Float

16" x 3" Round End
Hard wearing magnesium hand float Round End

HT942 Bull Float Groover

Bronze tool for use in
conjunction with Bullfloat to install soft joints

HT110H
Cobble Hand Tool H
Specialist range of pattern compatible hand tools for all areas

HT11212
Brick Hand Tool 12"
Specialist range of pattern compatible hand tools for all areas

HT110T
Cobble Hand Tool T
Specialist range of pattern compatible hand tools for all areas

HT112L
Brick Hand Tool Left
Specialist range of pattern compatible hand tools for all areas

HT111
G Tool
Alloy or rubber versions of this popular cobble edging tool

HT112R
Brick Hand Tool Right
Specialist range of pattern compatible hand tools for all areas

HT1121
Brick Hand Tool 1"
Specialist range of pattern compatible hand tools for all areas

HT1131
Stone Hand Tool 1"
Specialist range of pattern compatible hand tools for all areas

HT1124
Brick Hand Tool 4"
Specialist range of pattern compatible hand tools for all areas

HT1134
Stone Hand Tool 4"
Specialist range of pattern compatible hand tools for all areas

HT1128
Brick Hand Tool 8"
Specialist range of pattern compatible hand tools for all areas

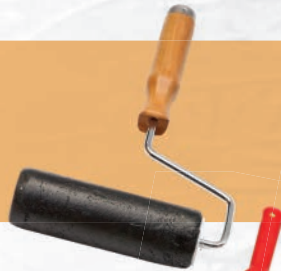

HT1138
Stone Hand Tool 8"
Specialist range of pattern compatible hand tools for all areas

HT115**Textured Roller 7"**

For applying texture in areas where imprinting is difficult

**HT986****Hammered Edge Wheel**

To add a simple textured joint to the imprinting work
Bull Floats HT802 & HT803

**HT116****Touch Up Roller - Fluffy**

Useful tool designed for small repair work and open fissures during printing

**SQW-3****Squeeze Up Wheel 3mm**

Designed to fit all imprinting mat joint sizes & remove squeeze-ups easily

**HT119****Touch Up Roller - Foam**

Useful tool designed for small repair work and open fissures during printing

**SQW6****Squeeze Up Wheel 6mm**

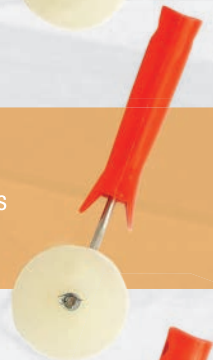

Designed to fit all imprinting mat joint sizes & remove squeeze-ups easily

**HT271****Rubbing Jointer**

Add depth to joints & correct imperfections while imprinting

**SQW9****Squeeze Up Wheel 9mm**

Designed to fit all imprinting mat joint sizes & remove squeeze-ups easily

**HT426****Bolster Chisel 2"**

For installing soft cut joints
- well tempered & balanced for a comfortable hold

**SQW12****Squeeze Up Wheel 12mm**

Designed to fit all imprinting mat joint sizes & remove squeeze-ups easily

**HT655****Bolster Chisel 4**

For installing soft cut joints
- well tempered & balanced for a comfortable hold

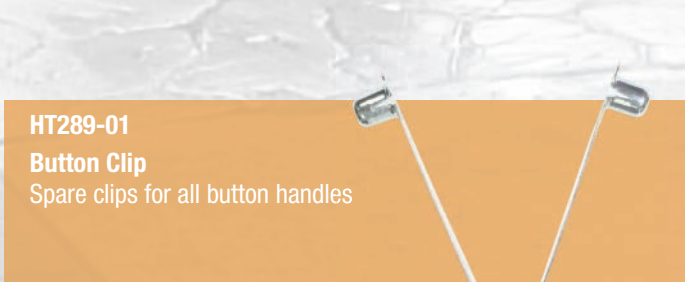

PICS
TOOLS

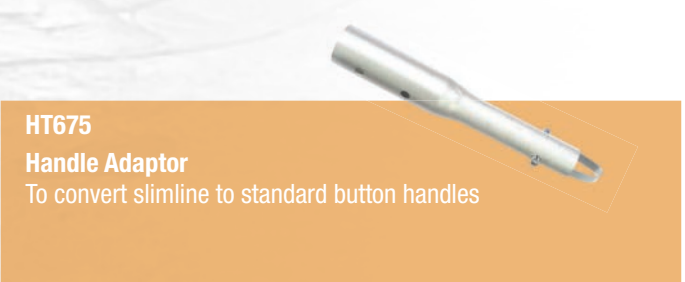

HT289
Thick Button Handle
6' length x 1³/₄" diameter
- universal clips for all Tilt Brackets

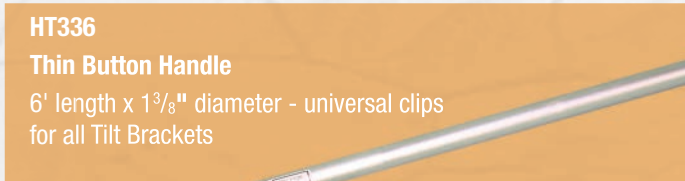

HT640
4m Screeder
For covering large areas easily

HT289-01
Button Clip
Spare clips for all button handles

HT675
Handle Adaptor
To convert slimline to standard button handles

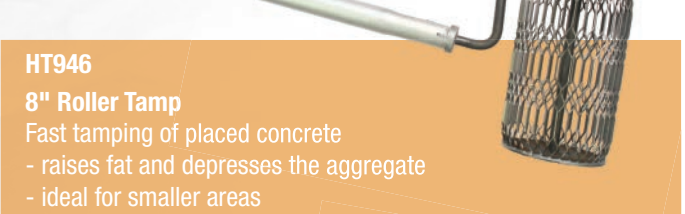

HT336
Thin Button Handle
6' length x 1³/₈" diameter - universal clips for all Tilt Brackets

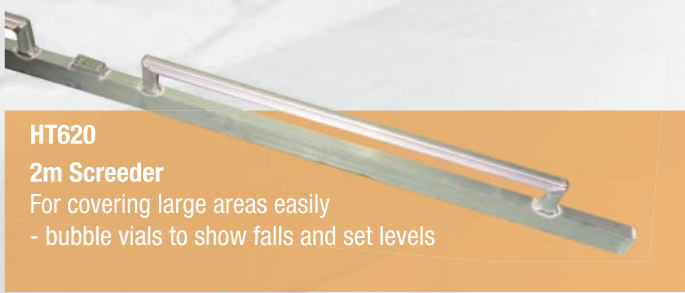

HT885
Concrete Tamp
Sets edges and levels prior to floating
- excellent for narrow areas

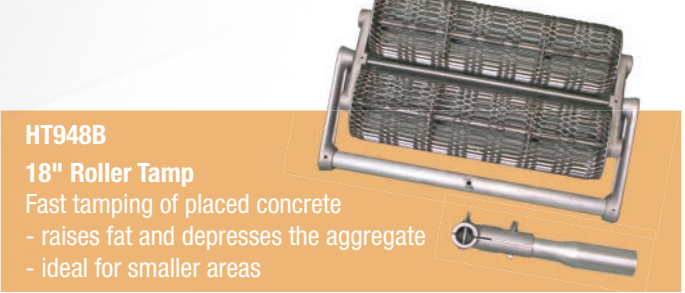

HT610
1m Screeder
Ideal for smaller areas by hand
- bubble vials to show falls and set levels

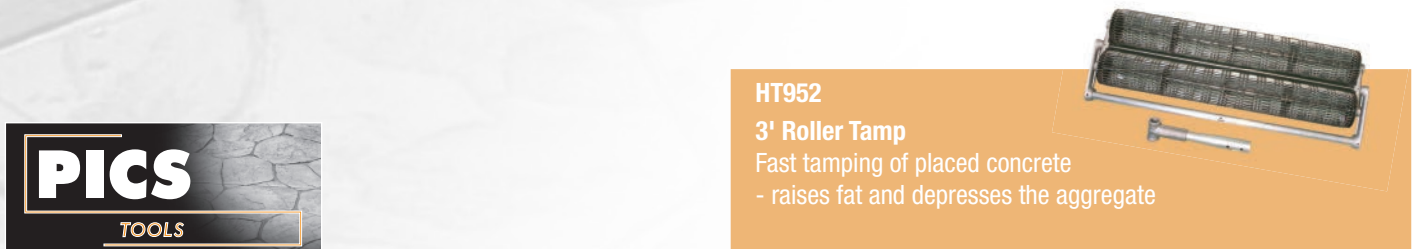

HT946
8" Roller Tamp
Fast tamping of placed concrete
- raises fat and depresses the aggregate
- ideal for smaller areas

HT620
2m Screeder
For covering large areas easily
- bubble vials to show falls and set levels

HT948B
18" Roller Tamp
Fast tamping of placed concrete
- raises fat and depresses the aggregate
- ideal for smaller areas

HT952
3' Roller Tamp
Fast tamping of placed concrete
- raises fat and depresses the aggregate
