

Kinedo
CUBICLES

Rediscover the pleasure of showering

The bathroom has changed... it is not just an area of functionality, but a room of pleasure and relaxation.

We want the fittings to be stylish and original, modern and attractive. None more so than our shower – a place for calm reflection or vibrant invigoration. Behind every **Kinedo self-contained shower cubicle** there is the know-how, innovation, quality, excellence and reliability of the **Saniflo** brand, allowing you to focus solely on enjoying the showering experience.

Purity of lines and elegant fittings are important, but the essence of true design is in the detail. At Kinedo we pride ourselves on well-conceived products with **clever assembly and high quality materials**, where no silicone is needed and there is no requirement for tiles or grouting. Every last detail has been thought through.

The benefits and beauty of shower cubicles are often overlooked as many people misunderstand the benefits of cubicles over enclosures. Cubicles offer a swift and efficient showering solution for any shape or size of bathroom. In most cases, you can have a watertight space, complete with the shower, controls and doors **fitted and ready to enjoy in less than a day**.

Kinedo cubicles are designed, manufactured and tested in our own production plants in France. This means we have complete control over the process and we can **maintain the highest standards of quality and service**. All our Kinedo products have a comprehensive warranty* of up to **10 years**, fully backed by Saniflo Ltd.

We also ensure that all our glass panels and doors meet the European standard EN12150 for **toughened safety glass** and we supply our products **flat-packed** for ease of manoeuvrability.

In the humid environment of the bathroom, silicone will deteriorate and discolour without constant maintenance. With Kinedo cubicles silicone is redundant – the wall panels of the product are cleverly designed to fit snugly within the shower tray.

The precision involved with each cubicle's design allows water to simply run down the inside of the shower with no chance of escape. And as there is no need for tiling or grouting, your shower will stay looking as pristine as the day it was installed.

Most Kinedo cubicles are treated with Cristal Plus; a permanent, anti-limescale coating that minimises the build-up of calcium deposits and dirt on glass, reducing the need to clean. This transparent chemical treatment is resistant to hot water and UV rays, encouraging water to run off the glass without leaving streaks or water marks.

Every one of our cubicles comes with a warranty* of up to 10 years, fully backed by Saniflo Ltd.

Brooklyn

The Brooklyn cubicle range has been designed to bring the industrial trend to life. Available in two colour options you can go industrial chic with our black version or give traditional a modern twist with our grey profiles and chrome shower.

The Brooklyn range comes with transparent glass on the grey version and black silk screen printed lines on the black version. Its clever design and quality fixtures mean assembly is quick and simple, without silicone and predominately without screws. This robust cubicle comes with pivot or sliding door, white Biocryl shower tray with chrome waste, metal handles and your choice of profile colour, shower and glass, so you can create the perfect look for your bathroom.

Moonlight

With its understated elegance and neutral styling, the Moonlight will blend into any setting, whether classic or contemporary.

Great for those who want the convenience of fitting a shower cubicle but still want the freedom to influence the look of their bathroom, it allows you to accommodate the choice of your own shower control. The brushed aluminium effect panel can be easily drilled for any fixings. Perfect for those who want flexibility as well as great functionality.

Kineprime Glass

Slotting a shower into an un-used space makes great sense and the Kineprime Glass is perfect for a recess or a corner and comes in a choice of sizes to suit most situations.

The glass back and side panels make for a quicker solution than tiles and grout and as Kineprime glass comes in both quadrant and corner versions, with a choice of pivot, sliding or saloon doors, this adaptable design can provide a stunning look in the smaller bathroom. Since a thermostatic shower is included, there is nothing else to add.

Consort

It's simplicity of design, ease of installation and low maintenance, that makes the Consort shower cubicle a winner for both domestic and commercial bathrooms.

Ideal for use in guest houses, hotels and student accommodation, the Consort can be fitted with your own choice of electric or mixer shower control and has inward opening saloon style styrene doors for maximum space efficiency in the bathroom. This cubicle is great for commercial applications where multi-installations are needed.

Kinemagic Design

Sleek, opaque, white glass panels and a clear glass front with anodised finish means the Kinemagic Design is in a class of its own.

With a low height tray, thermostatic valve and range of sizes the Kinemagic Design can fit in most bathrooms. The clever construction of all the Kinemagic range enables it to be fitted in just one day with no mess or fuss and no re-tiling. Making our Kinemagic range one of most stylish, practical, versatile and most popular range of showers.

FOLD-DOWN SEAT

Kineduo

The Kineduo offers you the best of both worlds, packed full of practical features designed to make bathing and showering a pleasure.

With its simple step-in access using a hinged, toughened safety glass door, the Kineduo is equally appealing to able-bodied and less able users as it makes taking a bath or shower easy and trouble-free.

The Kineduo can replace any existing bath regardless of positioning within the bathroom. With optional extras such as the end glass shower panel you can position the shower where you want it, so you can still have a shower bath even if your bathroom has a window or is in the eaves.

With white glass bath panels, the Kineduo can fit into any colour scheme and really creates a premium feel whilst still being designed to be inclusive for all the family. With a grab bar for the screen and a seat, the Kineduo can be tailored to your individual needs, without losing its style.

As standard the Kineduo is supplied with a toughened safety glass door, a cushioned headrest and pop up plug. Then just add the optional extras you want to make this unique to your home. You can now achieve luxury and convenience at an affordable price with Kineduo.

For extra comfort and safety we recommend fitting a separate TMV valve with the Kineduo taps and shower.

Our Kinedo range
has a warranty
of up to 10 years.

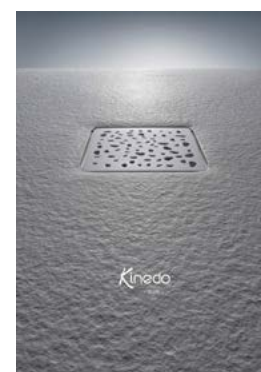

Two years as standard with an additional eight years on parts.

For full details see kinedo.co.uk

We want our bathrooms to be stylish
and original, modern and attractive.
A space to relax and unwind

To create a luxurious feel to our
bathrooms, sometimes texture
or colour can really help.

Our range of trays has been
developed to suit every style
of bathroom, every size and
every budget has also been
taken into account.

With cuttable options and
trays that can be sunken or
raised, you'll find the perfect
tray for your shower in our
Kinedo Trays brochure.

Our range of shower trays work
perfectly with our collection
of shower enclosures which
allow you to create that dream,
indulgent bathroom.

We have a wide range
of enclosures which will
work in your space.

Different door options,
such as pivot, sliding
or saloon and a large
selection of sizes help
you bring that dream
bathroom to life,
whatever your budget.

For a copy of our Trays or Enclosures brochure please email info@kinedo.co.uk
Alternatively, why not visit our website kinedo.co.uk to view our full range.
