Custom powerlift partitions

“SKYFOLD IS NOT ONLY BEAUTIFUL, IT’S INCREDIBLY QUICK AND EASY TO OPERATE. IT PREVIOUSLY TOOK 5 PEOPLE ABOUT 45 MINUTES TO RECONFIGURE A ROOM. NOW WE CAN SWITCH FROM DAYTIME SETTINGS TO EVENING EVENTS IN NO TIME!” ENDA O’MEARA, CROWNE PLAZA DUBLIN

ADDED CAPACITY

Skyfold powerlift partitions are the aesthetic and acoustic solution that redefines space, enabling people on one side of the partition to enjoy complete silence, even though there may be a noise-generating activity on the other side.

RECONFIGURE YOUR HALL

TRADITIONAL WALL CONFIGURATION

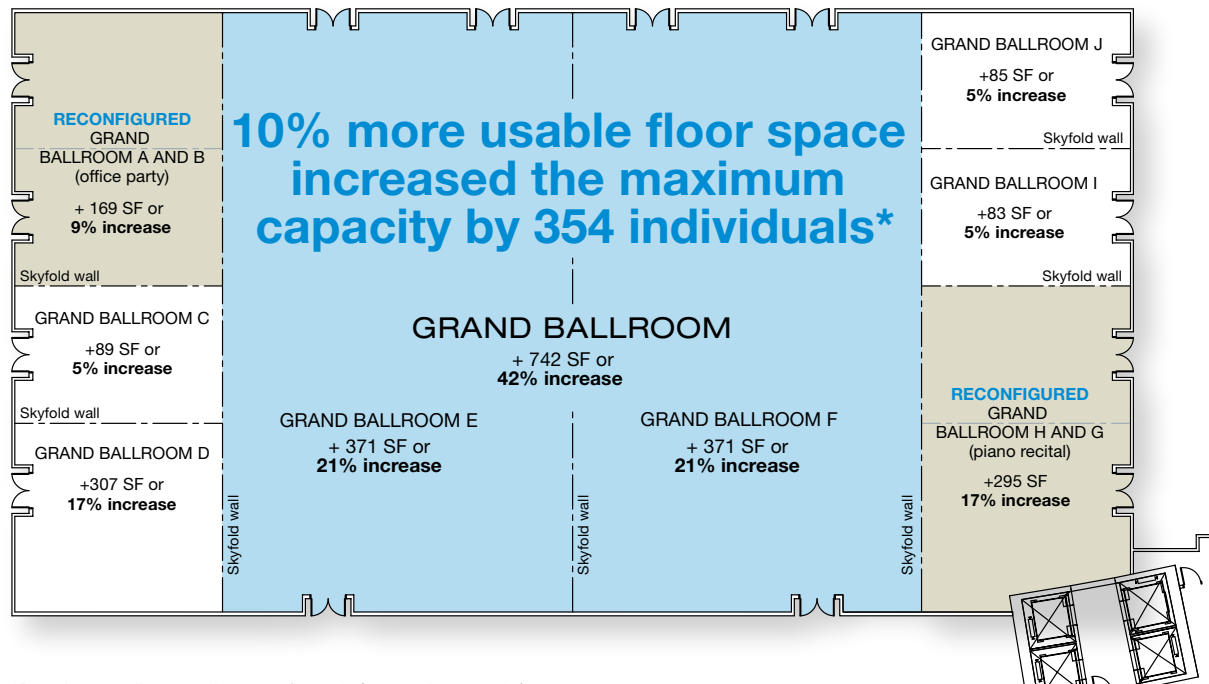

Each room has its own storage cavity. New configuration requires manpower and scheduled time.

CASE STUDY - A GRAND BALLROOM

SKYFOLD WALL SYSTEM

Each room now has SIGNIFICANTLY MORE SPACE. New room configurations are just a turnkey operation away.

*Based on standing capacity as per fire code (253 seating capacity).

Tight, pliable internal end seals for noise reduction without wall or floor tracks

Rigid, flat, durable

Up to 36 feet high (11 m), unlimited length... will not disturb guests during operation

“SKYFOLD IS FAR AHEAD OF ANYTHING WE’VE EVER COME ACROSS. ITS INNOVATIVE SYSTEM IS SO SIMPLE TO OPERATE, WE CAN CHANGE THE CONFIGURATION OF A ROOM WHILE IT’S IN USE. WATCHING THE WALL RISE ON DEMAND (TO UNVEIL A NEW PRODUCT IN THE NEXT ROOM) NEVER FAILS TO IMPRESS.” ENDA O’MEARA, CROWNE PLAZA DUBLIN

Our customisable, lightweight privacy walls create beautiful, practical new spaces with a simple turnkey operation.

“THE SKYFOLD WALL OFFERS SURPRISING SOUNDPROOFING QUALITIES. YOU CAN HARDLY TELL WHEN BOTH ROOMS ARE IN USE AT THE SAME TIME. IT’S AMAZING!” SETH KAGY, MCCORMICK & SCHMICK’S

SKYFOLD® LIMITED WARRANTY

WORKMANSHIP: 2 years or 5,000 cycles, whichever occurs first from date of shipment
PARTS: extended warranty on parts is available (10 years/5,000 cycles)

SKYFOLD'S EXCLUSIVE LINE OF POWERLIFT WALL SYSTEMS PROVIDES A UNIQUE WAY TO SUBDIVIDE SPACE. OUR CUSTOM BUILT SYSTEMS ARE COMPLETELY AUTOMATIC AND RETRACT INTO A CEILING CAVITY WITH A SIMPLE TURNKEY OPERATION.

- ❖ **CLASSIC** Offers privacy with exceptional acoustics
- ❖ **MIRAGE** Brings in the light with your choice of transparent panels
- ❖ **MIRAGE XT** A weatherproof glass-partitioning system for exterior use
- ❖ **ECLIPSE** A featherweight solution that simplifies space division

Skyfold is pleased to be an official member of the U.S. Green Building Council. The Green Council is committed to promoting better designed buildings that are not only more environmentally and socially responsible, but also help improve the quality of life for those who occupy them and the communities in which they are built. The Council has developed a benchmarking system known as LEED (Leadership in Energy & Environmental Design). When it comes to recycled materials, architects and owners who choose a Skyfold Custom Powerlift Partition system can calculate the following toward LEED accreditation on their projects.

- Recycled materials Up to 97%
- Post-consumer Up to 27%
- Pre-consumer Up to 50%

In order to continue protecting our environment, it is essential that we all do our part by using recycled materials whenever possible. Skyfold is proud to help.
