BELTANE CARY WITH RAISED STAND - NEW FOR 2026

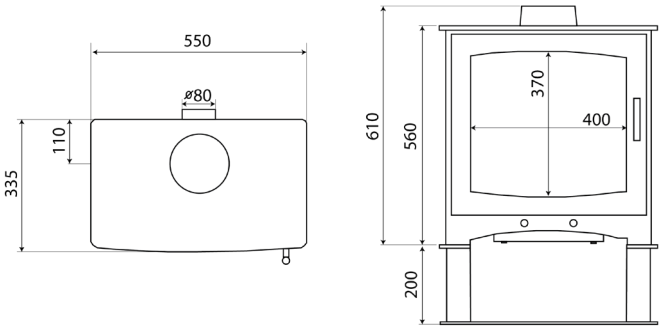

BELTANE CARY WITH RAISED STAND

The Beltane Cary Eco-design wood-burning stove combines clean, efficient performance with timeless, understated elegance, making it a beautiful addition to contemporary living spaces.

A generously sized glass viewing window reveals a captivating flame picture, creating a warm and welcoming focal point that enhances any room. Simple, intuitive controls make operation effortless while allowing for precise heat management.

Perfectly suited to homes requiring a 5kW heat output, the Beltane Cary delivers beautifully controllable comfort, providing steady, clean warmth and a cosy, consistent atmosphere throughout your home.

BELTANE BRUE

BELTANE BRUE LOGSTORE

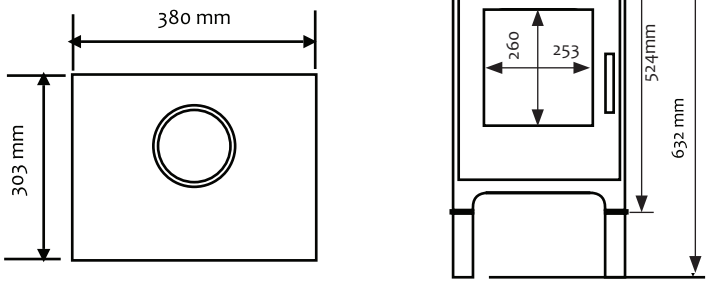

BELTANE BRUE LOGSTORE CONVECTOR +

Compact yet full of character, the Beltane Brue brings warmth and atmosphere to smaller living spaces. Its clean design and large glass window beautifully showcase the flames, creating an inviting focal point.

EcoDesign 2022 ready and DEFRA approved, it delivers efficient, reliable performance. The Convector+ version enhances heat flow and allows reduced clearances, while the Logstore model adds practicality with a raised design and integrated storage.

A perfect balance of style, performance and everyday comfort.

BELTANE BRUE COOKTOP

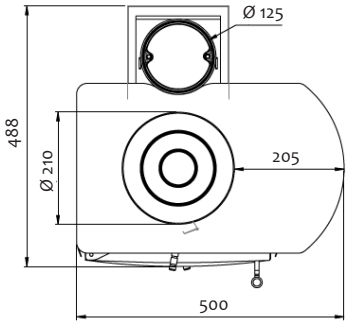

BELTANE BRUE COOKTOP

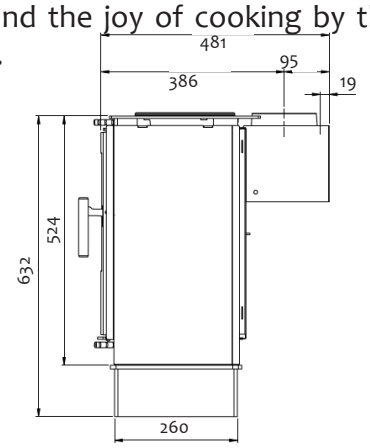

BELTANE BRUE LOGSTORE COOKTOP

Blending timeless practicality with contemporary style, the Beltane Brue Cooktop brings a whole new level of versatility to your living space. Perfect for warming a kettle, slow-cooking a stew, or simply adding that nostalgic touch of off-grid living, the integrated cooktop invites you to slow down and enjoy the simple pleasures of home. Its compact size, and beautiful flame picture make it as stylish as it is functional.

The Brue Logstore Cooktop adds extra height and handy log storage below, turning the stove into a practical focal point with rustic charm. Both models are EcoDesign 2022 ready and DEFRA approved, offering dependable heat, everyday comfort, and the joy of cooking by the fire—all within the trusted Brue design.

BELTANE CHEW

BELTANE CHEW LOGSTORE

Stylish, strong, and effortlessly inviting, the Beltane Chew is the perfect stove for creating a warm and welcoming heart to your home. Designed for medium-sized spaces, its 5kW output is perfect for cosy evenings or relaxed gatherings, while the large glass window lets the flames take centre stage.

Crafted from high-quality steel and built to last, the Chew is EcoDesign 2022 compliant and DEFRA approved, ensuring a clean, efficient burn. With simple controls, low maintenance, and the new Logstore model for 2026, it combines elegance with everyday comfort.

BELTANE HOLFORD

Sleek, refined, and effortlessly modern, the Beltane Holford is the perfect way to bring the magic of real flames into a contemporary living space. Designed to fit beautifully into a standard British fireplace opening, it offers a generous 4.9kW heat output—just right for creating a cosy atmosphere without overwhelming the room.

Its minimalist design, flush finish, and expansive glass window put the fire at the heart of your home, while easy-to-use controls make operation simple and stress-free. EcoDesign 2022 compliant and DEFRA approved, the Holford delivers clean, efficient warmth with a bold yet understated presence. Perfect for those who want comfort, style, and performance—all in one.

BELTANE HOLFORD LANDSCAPE

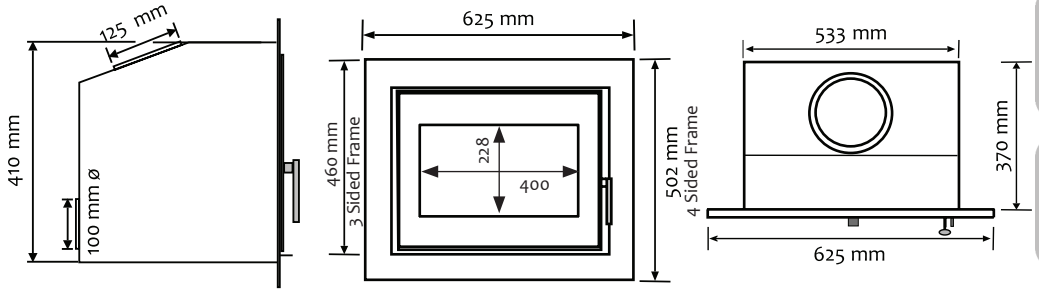

BELTANE HOLFORD LANDSCAPE

Wide, elegant, and designed to impress, the Beltane Holford Landscape brings a stunning panoramic view of the flames into your living space. Its sleek, modern styling and expansive glass window create a bold focal point, perfect for contemporary interiors that crave both warmth and visual impact.

With a 4.9kW output and clean, efficient performance, the Holford Landscape is as practical as it is beautiful. Designed for versatility, it can be installed into a wall or chimney breast with a 3 or 4-sided frame, ideal for creating a sleek, elevated look. EcoDesign 2022 compliant and DEFRA approved, it's a perfect blend of style, performance, and cosy ambience.

GUARANTEED PERFORMANCE

All Beltane Stoves are covered by a 2-year warranty, offering peace of mind and assurance of quality. This warranty applies to the body of the stove only and excludes consumable parts such as glass, firebricks, rope seals, baffle plates, and paint. These items are considered maintenance components and may require replacement over time due to normal wear and tear.
