

Square Fixed Bollard 750mm Above Ground 90mm - 150mm Square Galvanised

The galvanised mild steel range of 750mm tall square fixed bollards are suitable for a range of applications and are ideal as a complement to the Autopa ranges of square Parking Posts, RemovaPosts and RetractaPosts.

The bollards are available in 50mm - 150mm square tube and come finished with a welded flat steel cap.

The Fixed bollard is available with extended legs for casting into concrete or a flange plate for bolting down.

Removable and colour coated versions also available.

Part Number	Diameter and Fixing Detail	Weight (kg)
138 121 884	90 x 90mm Galvanised - Concrete In	8kg
