

Square Fixed Bollard 900mm Above Ground 50mm - 80mm Square Galvanised

The galvanised mild steel range of 900mm tall square fixed bollards are suitable for a range of applications and are ideal as a complement to the Autopa ranges of square Parking Posts, RemovaPosts and RetractaPosts.

The bollards are available in 50mm - 150mm square tube and come with a welded flat steel cap.

The Fixed Post is available with extended legs for casting into concrete or a flange plate for bolting down.

Removable and colour coated versions also available.
