

# Plain Round Bollard 1200mm Above Ground 139mm - 219mm Diameter Galvanised & Yellow

AUTOPA's range of Plain Round Bollards offers a simple and cost effective means of establishing control over parking and access. Yellow bollards are suitable for use where high visibility is paramount and can be used around pedestrian precincts, pavements, play and parking areas, as part of traffic calming measures, pedestrianisation schemes and as a deterrent to ram-raiders.

The complete range of Plain Round Bollards is available in diameters from 90mm to 219mm and is available with extended legs for casting into concrete or with a flange plate for bolting down.

Additional colour coated options and removable versions are also available.

<u>Part Number</u>	<u>Description</u>	<u>Weight (kg)</u>
138 121 620Y	139mm Galvanised & Yellow - Concrete In	27kg
138 121 614Y	139mm Galvanised & Yellow - Bolt Down	27kg
