

AUTOPA

Removable Mitre Top Bollard 1000mm Above Ground 76mm - 193mm Diameter Galvanised & Black

The AUTOPA Removable Mitre Top Bollard has a modern and striking design. Aesthetically pleasing, this simple, elegant bollard is perfect for preventing unauthorised vehicle access or parking in communal areas.

Manufactured from galvanised mild steel, it is designed to look good on even the busiest sites for many years. A padlock to secure the removable version is available at an extra cost.

Mitre Top Bollards shown are coated black, complete with (an optional, available at extra cost) yellow reflective band. Other colours are available upon request (please state RAL number at time of order).

<u>Part Number</u>	<u>Description</u>	<u>Lift Weight (kg)</u>	<u>Weight (kg)</u>
