

RGP 500 500mm Galvanised or Galvanised & Colour

The RGP (removable ground post) offers a highly effective and robust way to protect premises and vehicles. The post is 500mm above ground, when removed the socket is covered using the integral lid. The post is lockable by rotating the post 45° and then pressing the high-security push button 7-pin security lock. The post is unlocked using the supplied key, rotated and then removed.

The RGP is ideal for protecting vehicle forecourts, commercial premises, car parks and domestic driveways.
