

ACP11 Column Protector

60mm Diameter

Galvanised or Galvanised & Colour

Functional and robust in design, AUTOPA's range of column protectors are designed to protect corners, columns, and other vulnerable pillars from vehicle damage in a busy industrial environment. Our Column Protectors are manufactured from mild steel and galvanised to ensure their longevity. Suitable for both internal and external use.

Column Protectors are available in galvanised, galvanised & coated (RAL/BS numbers must be specified at time of order), or galvanised and coated yellow, complete with black reflective bands (2 x 100mm width bands).
