Perch Bench
1000mm or 1500mm
Galvanised or Galvanised & Colour

The AUTOPA Perch Bench is a strong all-steel construction. It enhances pedestrian zones such as commuter stops and market places.

Convenient seating area - users simply lean against the seat. Ideal for a momentary rest, for use in busy town and city centres, with waiting or bus shelters, or walkways and canopies alike.

The Perch Bench is available in galvanised mild steel and can be coated in any RAL colour (codes must be specified at time of order).

Available in two lengths, 1000mm or 1500mm. Available bolt down only.

Part Number	Description	Weight (kg)
