Illuminated Bollard 1000mm Stainless

The AUTOPA Stainless Illuminated Bollard is a commercial and public standard illuminated bollard, suitable for all areas accessible to the public, from city squares, public parks to university campuses and hotel grounds. The highly robust construction and design are manufactured to all relevant standards thus ensuring the longevity of the Stainless Illuminated Bollard in the most challenging environments.

The 19W IP65 Corn Lamp E27 is housed in an aluminium light diffuser which is protected by a polycarbonate sleeve and opaque lens.

The Stainless Illuminated Bollard is available in a concrete in only finish.

Part Number	Description	Weight (kg)
138 122 550	**Stainless Illuminated Bollard**	**16kg**
