

### Note

- On metal to metal components, suitable metal sealant & tape should be applied. Insulated duct or safe seals provide suitable seal between the duct and external grilles.

### Wall Terminals

A wide range of external terminals to suit all building styles and ventilation requirements.

---

#### Circular Wall Terminal

125mm / 150mm / 180mm

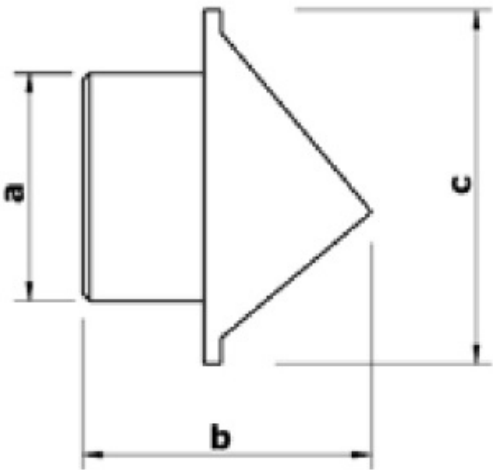

---

#### Rectangular Wall Terminal

125mm / 150mm / 180mm

Air inlet terminal	150	180
a mm	150	180
b mm	194	200
c mm	233	268
Zeta -	1.36	3.68
Pa		
100m <sup>3</sup> /h	6.5	2.6
200m <sup>3</sup> /h	25.9	10.5
300m <sup>3</sup> /h	58.2	23.7
400m <sup>3</sup> /h	103.4	42.1
500m <sup>3</sup> /h	161.6	65.8

### Wall Grille

Ø 150 up to 300 m<sup>3</sup> /h

Ø 180 up to 500 m<sup>3</sup> /h
