

10 Year Product Warranty

Brick Clad Chimneys

Brick Fabrication Ltd will guarantee its Brick Clad and GRP Chimney range for a period of 10 years from the date of purchase against faulty materials, workmanship and water ingress.

This guarantee is conditional on the following:

1. The products should be stored prior to fitting in such a way as to ensure no physical damage occurs.
2. The Brick Fabrication Ltd fitting instructions are followed correctly.
3. No holes other than fixings should be made anywhere in the chimney and nothing should be fixed to the chimney, such as television aerials etc.

The limit of the guarantee is that of the original purchase price of the chimney and no claim for consequential loss can be accepted.

The company is to be provided with suitable access to repair or replace the product at no cost to Brick Fabrication Ltd.

All claims must be made in writing to the company office within the guarantee period.
