

Polystyrene Protection Screen

- Polystyrene Protection Screen
- Choice of desk or suspended
- Clear screen
- 3 desktop widths
- 1 ceiling suspended

About the Product

The screen is made from 4mm polystyrene with clear feet that simply slot in. There is a 110mm high x 300mm gap at the bottom so documents and cash can be passed through making it perfect for both desk and counter standing. Counter standing is available in 3 sizes and 1 hanging model.

Installation

Simply place the screen on a desk or counter. Alternatively the hanging model is supplied with 1m long chain.

Lead Time
