

Metropolitan Acrylic Sliding Door Fire Resistant

- Aluminium frame
- Polycolour pin board surface
- Ideal for use with pins
- Sliding doors with shatterproof 5mm PET glazing
- Supplied with wall fixings

About the Product

The Metropolitan acrylic sliding door board has a robust satin silver frame with 5mm shatterproof glazing which is fire certified to Class 0. The board is available in a choice of polycolour fire resistant surfaces. The acrylic doors have added stability by two aluminium edgings strips and have a polished finger grip for opening and closing. Doors are held secure with a grub screw.

About the Fabric

There is the choice of 14 polycolour pin board surfaces
