Excellent Construction Products

# Introduction

Naylor Industries are an award winning, long established, leading British manufacturer of building & construction products, specialised clay pipes, plastic drainage systems & plastic ducting, concrete and environmental products with an unparalleled reputation in the market for quality and service.

On the 28th February 2022, Naylor Specialist Plastics Ltd acquired electrical industry supplier D & B Injection Moulders Ltd, which now operates as part of Naylor Specialist Plastics Ltd at Wombwell Barnsley.

We manufacture in the UK, a wide range of glands and accessories to help protect, attach and secure cables. Our products include IP55 and IP68 cable glands for use in applications where protection against dust and / or water is required as well as hazardous area cable glands, NPT cable glands and a large range of connection boxes.

D&B was an excellent fit with Naylor Specialist Plastics Ltd, who already manufactured flexible cable conduit in Polypropylene and Polyethylene, which now compliments the conduit glands D&B manufactured, our aim is to become the major UK manufacturer of glands and accessories for the electrical industry.

Excellent Construction Products

# Ordering & Delivery

## Colours

All glands and locknuts (except Pg range), plugs & bushes are available in black, white, light grey to Ral 7035 and bright red to Ral 3020. Other colours are available on request.

\* These components may have a reduced colour range, and are not available in flame retardant grades.

## British standard

Metric cable glands IP68 range comply with BS EN 50262:1999. Report No. 2715/04 gives the full specification in detail; a copy of this report is available for your inspection on our web site.

## Cable Ties

These are manufactured from nylon 66 which is self-extinguishing to UL94V2. Nylon 66 is zero halogenated and low smoke/fume.

## Delivery & Small Order Charge

All components are packed in polythene bags where possible and boxed. Carriage paid for orders over **£150.00 net, below this figure £15.00**. An additional charge will be made for goods delivered to Scottish Highlands & off shore.

## Pricing

All prices are subject to VAT at the rate prevailing at the time of invoicing.

## Payment

Nett 30 days end of month.

## Title and Risk

The title of the goods shall pass to the customer only when the customer has met all sums owing to the company howsoever arising. The risk in the goods shall pass on delivery and the customer shall insure all loss and damage to the goods. The customer irrevocably authorises the company and its duly authorised servants and or agents to enter upon the customer's premises for the purpose of repossessing the goods where the title therein has not passed to the customer.

Goods returned for credit must be in as supplied condition, an admin & re-stock charge of 15% will be set against the credit.

Stock, we have over 2.25 million products in stock at any one time, which should cover most customer requirements.

Samples of any of our products are available upon request.

We look forward to receiving your order.

Due to a policy of continued improvement, we reserve the right to alter specification without prior notice
