

Window Surrounds

Generated on 02.10.2017

Detailed description

Cast stone window surrounds, which can comprise cills, heads, mullions and jambs. Compatible with aluminium, timber and PVC-U windows.

Jambs are manufactured complete with abbey slots to secure back to adjoining brickwork with fishtail ties. Heads and cills on window surrounds are supplied split at mullions. Jambs and mullions are connected via stainless steel dowels.

Options

Type:

A wide range of non-standard window surround types is available – consult manufacturer and insert requirements.
