

WALL MOUNTED BOTTLE FILLING FOUNTAIN

PRODUCT CODE

463 : 464

MAY 2010

463

Special Features

- ▲ HYGIENIC AND VANDAL RESISTANT
- ▲ SMOOTH RADIUS DESIGN
- ▲ INTEGRAL SPLASHBACK
- ▲ UNDERSHROUD TO CONCEAL PIPEWORK
- ▲ EASILY INSTALLED AT ADULT OR JUNIOR HEIGHT
- ▲ OPTIONAL **Enviro-Glaze** COLOUR FINISHES

Description

The wall mounted bottle filling fountain is hygienic, robust and easily installed at adult or junior height. The bottle filler valve is positioned for ease of use and the smooth radius design eliminates sharp corners which can cause injury. The bottle filling fountain is available with either integral wall mounting brackets or a half height undershroud, with removable access panel, to conceal the supply and waste pipework.

Construction

The bottle filling fountain is manufactured in one piece without joints or crevices from grade 304 stainless steel polished to a satin finish. For ease of cleaning and hygiene a splashback is incorporated in the top of the drinking fountain. The integral half height undershroud incorporates a removable access panel held in position by security screws. Each fountain is supplied with a flush grated waste fitting and a chrome plated swan neck bottle filler.

Option

- ▲ A range of **Enviro-Glaze** colour finishes including white
- ▲ These bottle filler fountains are also available in DRINKING FOUNTAIN versions
– please refer to models 461 and 462
