Packers Transpak

Hangers Transpak

Wedgit® Interlocking wedges

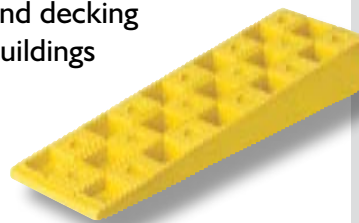

Transpak is a mix of the 4 most popular sizes:

Green and orange for:

- Bathroom fittings
(pans, pedestals, shower trays, baths, etc.)
- Kitchen units (wall and floor)
- Door and window frames
- Window sills
- Wall framework, panels and drylining
- Fireplaces
- Pipe and conduit offsets
- Laminate flooring
- Roofing timbers
- Cladding
- Soffits and fascias

Brown and yellow for:

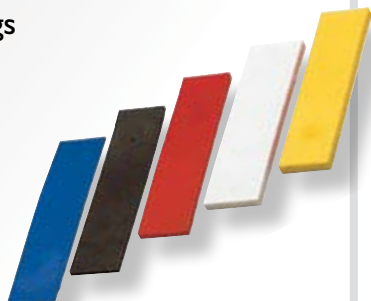

- Joists, flooring and decking
- Timber frame buildings
- Posts
- Beams
- Precast units
- Shuttering

Packers

Tough and flexible, the business for:

- Bathroom fittings
- Kitchens
- Worktops
- Windows
- Timber frames
- Stonework
- Tiling
- You name it!

Hangers

Just right for:

- Wall boards and frames
- Cladding
- Soffits and fascias
- Window frames
- Door casings
- Conduit
- Any other vertical adjustment

- All save time ● Can be nailed through without breaking
- Will not snap or shatter ● Moisture proof and rot proof
- Good for insulation ● Can be used with epoxy adhesives and silicone
