Shark

Multiple mailboxes | Shark

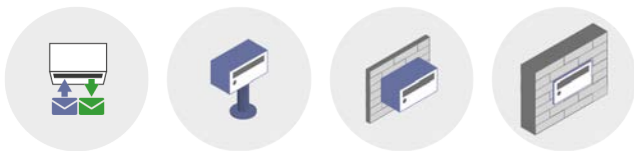

Shark

Our latest innovation. This secure mailbox has been designed to prevent fishing and mail theft. A unique patented anti-fishing device is attached to the inside of the aperture. There is added security through the use of a multiple locking mechanism which in turn strengthens the box making the whole product more robust. Its large size will allow a large amount of A4 mail to be kept safely. This letterbox complies to Secured by Design Homes 2019.
