Standard ProBead Colours:
100% reground PVCu

At ProBead, we specialise in the supply and manufacture of high-quality PVC beads for external render systems.

Why Choose ProBead

As the market leader, Probead offers 18 vibrant colours and 34 unique profiles - more than any other manufacturer. Our BBA-certified products come with a 25-year guarantee and are made from recycled, fully recyclable materials.

We serve merchants and distributors with unbeatable pricing, and plasterers benefit from direct ordering and next-day delivery on standard colours.

Enquire today on 01647 24620 or info@sas-europe.com to find out more!

- Next-Day Delivery
- Premium Quality
- Unlimited Support
- Made In The UK
- Made From recycled PVC
- Fully Stocked

Standards & Compliance

- BBA certified 06/4382 (on selected profiles)
- Manufactured to ISO 9001:2015
- ProBead PVCu profiles extruded to BS EN 12608:2003
- Fire tested to BS 476-4:1970 for non-combustibility of materials

ProBead for ProWall Rendered Rainsreen

Here we have a selection of specialised beads for our **ProWall** rendered rainscreen system. ProWall provides a robust, stable rendered finish on timber frame.

PWVBB
ProWall ventilation bead provides protection from insects and rodents at the base of the system whilst allowing the cavity to breathe.

PWBB
ProWall base bead provides protection to the base of the render board and has a built-in drip detail.

PWRAB
The ProWall window head bead ensures good drainage from the face of the render and provides a neat edge.

To place an order or confirm best available pricing, call 01647 24620 or email info@sas-europe.com

Drywall Beads

3AB2
Drylining bead providing impact protection for corners

3AB2A
Arch angle bead for forming curves to a minimum radius of 250mm

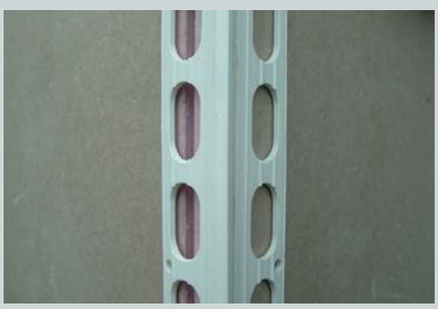

PE12 or PE15
Clip-on plasterboard or render carrier board edge bead providing reinforcement

SG15
15mm shadow gap bead

ITEM CODE	COLOUR	RENDER DEPTH	LENGTH	BOX
3AB2	WHITE	2mm	3m	102m
3AB2A	WHITE	2mm	3m	102m
PE12	WHITE	2mm	2.5m	100m
PE15	WHITE	2mm	2.5m	100m
SG15	WHITE	2mm	2.5m	100m
