Ø 240mm 1.2m tall	140mm Circular post	£158 ex vat

Fordingbridge supply and install padded covers for canopy posts in play areas for children. The post protectors come in either square or circular sections to match the installed post.

Colour

Post protectors are available in a range of colours for all post sizes to match or contrast your canopy.

Material

The post protectors are made from a hard wearing waterproof fabric that with care will last the lifetime of your canopy. Wash with warm water and soap to remove any marks every six months to prolong the lifespan of your protectors.
