Monumentique Paste

A unique & effective cleaner & stain remover

Description and use

Monumentique Paste C is a non hazardous cleaning paste for surface soiling and deep seated stains. After the product has been applied and left to dwell, it will dry to a skin which can be easily peeled off.

Advantages

- Non hazardous
- Controlled cleaning
- Minimal use of water
- Low odour

Limitations

- Not suitable for polished limestones or marble

Preparation

Protect surrounding surfaces.

Equipment

Apply with a brush or spatula.

Pretesting

Always test each type of surface to ensure suitability and desired results.

Safety Information

Wear suitable PPE – goggles and gloves to avoid splash to bare skin or eyes. Always refer to material safety data sheet before use.

Coverage Rates

Coverage rates will vary according to the character of the surface however approximate coverage is 0.2 - 0.3m^2 per kilo.

TECHNICAL DATA	
Appearance:	Green gel
pH Value:	7 - 7.5
Boiling Point:	

Application Instructions

1. Dampen the substrate with clean water
2. Apply with brush or spatula.
3. Apply to substrate 2 – 4 mm thick.
