Empowering Local Authorities with the GLASDON JUBILEE™ RANGE

Communities are dependent on responsible waste management. As a result, effective waste-capturing solutions are essential. The versatile Glasdon Jubilee™ range offers all the advantages and features that Local Authorities need to optimise their waste management practices and keep their communities clean.

When considering waste disposal, individual locations have varying requirements. Some areas may call for larger bins to accommodate the higher volume, while smaller, more compact options are better suited for narrow town streets.

The range includes sizes ranging from 110ltrs to 240ltrs, with a variety of shapes and styles to suit any environment.

The **NEW Glasdon Jubilee™ Duo 220** is an on-street bin with dual waste-capturing capabilities, where elegant traditional design meets the benefits of contemporary style. Designed to tackle a large presence of waste in areas with high footfall in urban spaces, recreational areas, and high streets, assisting local authorities and operators in more ways than one.

WHEELIE BIN SCREENS & BIN HOUSINGS

These outdoor wheelie bin screens and housing systems are designed for both on-street locations and outdoor recycling centre usage at workplaces, restaurants and bring sites. Our robust screen systems are ideal for hiding unsightly, large-capacity outdoor wheelie bins to create a clear, attractive recycling station.

LITTER COLLECTION

We produce a range of litter collection tools, ideal for keeping your environment litter free. Our Orderly Barrows can be used for litter collection and segregation of waste or for transporting equipment.

Space-Liner™ Orderly Barrow (Double Model)

Skipper™ Multi-Purpose Cleaning Trolley

Litta-Pikka™ Collection Tool

DOG WASTE BINS

To help keep pavements and open spaces clear of dog fouling, we produce a range of dog waste bins that are extremely strong and durable. Designed to be wall- or post-mounted, these dog waste bins will encourage owners to tidy up after their dogs, keeping areas clean and tidy.

Read our **FAQ** on the website about how to choose a dog waste bin.

SEATING

Enhance your great indoors and outdoors with Glasdon commercial seating and benches. Choose from a wide selection of traditional and contemporary styles, manufactured only with high-quality materials that ensures Glasdon seating and street furniture is renowned for its durability and long service life.

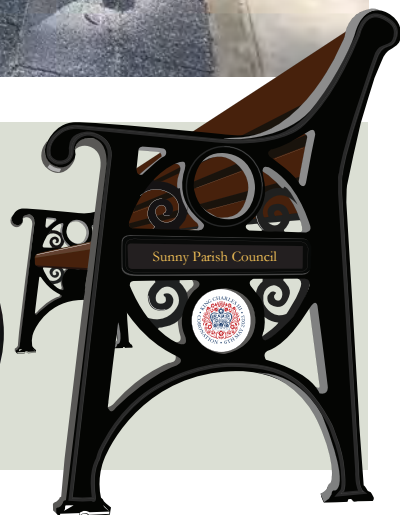

Lowther™ Seat with Brown Enviropol Slats

Personalisation Options

Optional personalised rectangular graphics or circular plaques with graphics can be supplied with the Lowther seat.

For more information on this service, including prices, please visit www.glasdon.com

Commemorative Plaques

The majority of Glasdon seats can be supplied with a stainless steel plaque that is laser etched with any dedication you would like.

Laser etching offers greater flexibility for your message - alternative engraving methods are generally limited to a fixed font and a maximum number of characters, but with laser etching we have the ability to include simple graphics.

We can even fit multiple plaques to the same seat, if needed.

New Gateway Solution Offers a Warm Welcome

Offering advanced personalisation and high visibility, the new Orbital™ Gateway Sign, designed and manufactured by Glasdon, is a state-of-the-art roadside sign that's ideal for welcoming visitors, alerting road users to changes in speed limits, and highlighting county, town and village boundaries.

A long-lasting and versatile alternative to traditional wooden signage and gateway solutions, the all-in-one Orbital Gateway Sign unit has space for up to 3 personalised signs offering optimal visual impact and signposting for road users and pedestrians.

As a complete all-in-one unit the Orbital Gateway Sign is also ready for immediate installation.

NEW

This new contemporary gateway solution extends the original Glasdon Gateway range, providing an alternative design, choice of colours, materials and fixing methods.

Manufactured from high performance polymers, the Orbital Gateway Sign is unmatched for strength and structural integrity. In Durapol® material, the Gateway is ultra-strong and offers durability like no other material.

Glasdon Pledge to Reach

Net Zero

By 2035

Find out more...

As a Company with a commitment to continuously improving our environmental performance, we are pleased to announce that in 2021 we pledged to reach Net Zero by 2035 (with Scope 1 and 2* to be achieved by 2025).

*The Green House Gas Protocol Corporate Standard classifies a company's GHG emissions into three 'scopes'. Scope 1 emissions are direct emissions from owned or controlled sources. Scope 2 emissions are indirect emissions from the generation of purchased energy.
