

We can supply all our doors as pre-hung doorsets, comprising the door leaf, frame and hinges - all tested and accredited by independent and recognised testing organisations. We can also supply matching architrave and extension linings if required. Depending on the specification and certification levels required, the following frame options are available:

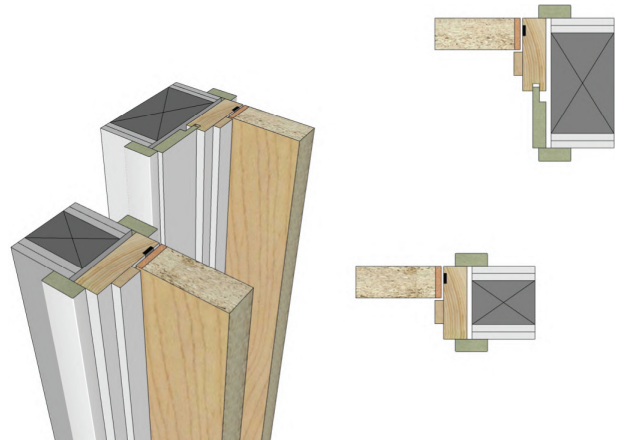

## Rebated Frame:

- Choice of MDF, engineered timber, hardwood frames
- Primed, full paint, polished, PVC wrapped finishes

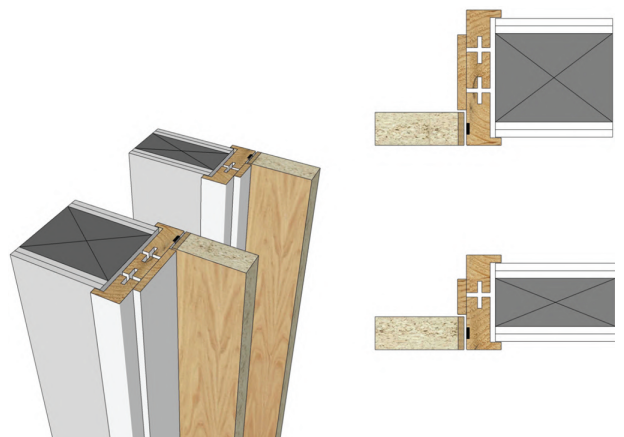

## Traditional Stop Frame:

- Choice of MDF, engineered timber, hardwood frames
- Primed, full paint, polished, PVC wrapped finishes
- Concealed frame fixings
- Additional stop-free option to allow two-way opening

## Split Frame:

- Choice of MDF, engineered timber, hardwood frames
- Primed, full paint, polished, PVC wrapped finishes
- Greater tolerance at installation
- Integral architrave available
- Ideal solution for encapsulated doorsets
- Concealed frame fixing
