Wall Panels

Our PVC Wall panelling is a stylish and cost effective alternative to tiles. Panels are 100% waterproof - making them perfect for showers, bathrooms and wetrooms. Choose from exclusive Premium designs, some of which are available in narrow widths for smaller rooms.

The panels are durable yet lightweight, easy to clean with no grout lines. The hygienic, non-porous surface provides excellent protection against bacteria and stains and is mould resistant too.

Ceiling Cladding

Ceiling Cladding

Ceiling cladding is designed to keep a beautiful finish in all conditions. Our ceiling cladding system is the perfect choice when you are decorating troublesome areas. It is easy to install, even in tight corners or around edges. Plus, the simple finish and low maintenance material mean that the product is easier to keep clean long-term - as there's no grout to trap dirt and bacteria.

Code	Description / Colour	Panel size	Qty
PAL300525	White	L:2500 x W:305 x D:10mm	1
FEATURES & BENEFITS

Exceptional resistance to impact, chemical substances, moisture, stains and spills

Easy to cut, formed and fabricated on site

Meets Class 1 fire ratings

WALL PROTECTION FOR HOSPITALS: STERILE ROOMS, CLINICS, PHARMACEUTICAL PLANTS AND OPERATING THEATRES

PALCLAD PRIME – Solid PVC Cladding

Our premium range of PALCLAD PRIME Wall Cladding sheets is the most advanced available in the UK Market. This designer range contains no toxic ingredients and is produced from a Calcium Zinc formulation, also the sheets are compliant with both ROHS and REACH standards. The PALCLAD PRIME range of sheets offer excellent fire resistance, comes in 14 designer colours, has excellent chemical resistance and high impact resistance. We offer a full range of colour matched accessories for the installation of your wall cladding project including division bars, capping strips, silicones and corner profiles.

CORNER TRIMS

Internal and external corner trims connect skirting lengths – removing the need for mitring. They simply slot together for a perfect finish every time (adhesive required).

DOOR SURROUNDS

Our architraves perfectly frame doorways. The single door kit requires only one mitre cut, then it all fits cleverly into place. Cover trims are available if required.

![Worktop Fabrications logo]

The finishing touch that makes the difference

Interior window board adding style and elegance to complement any window or conservatory

- ✓ Moisture resistant
- ✓ Scratch resistant
- ✓ Burn resistant
- ✓ No need to paint
