Lightweight 250mm Panelling	7
Premium Panelling	8
Laminate	10
Vilo Decorative Panelling	12
Feature Wall Cladding	13

- **Lightweight 250mm Panelling** - Our entry level of internal décors, for ceilings and walls in showers, bathrooms and wet rooms.
- **Premium Panelling** - Fast and easy to fit, with a range of stylish decors to choose from. Our 1000mm panels are ideal for the walls or ceiling of any room.
- **Laminate** - Laminate is the ultimate waterproof panelling system, designed to deliver a smooth, watertight finish whilst also being hard-wearing, stain resistant and totally hygienic.
- **Vilo Decorative Panelling** - Modern European décors with some adding a textured finish, this range is not only ideal for the bathroom, but can lift a room from an office to living area.
- **Wetwall** - Revolutionary waterproof wall panel system creates a stunning finish, that out-beauties stone, out-performs marble, and out-simplifies tiles; creating a high-end look without the luxury price tag, all with an industry leading lifetime guarantee.

Trims Guide

Trims can be used to neatly seal edges and join panels together and add the finishing touch to your project. We offer a range of panel trims to assist with cladding.

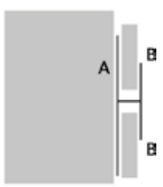

1. End U Cup - To start or end the assembly of the panels.

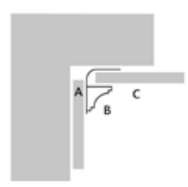

2. External Corner - To make an outside corner.

3. Internal Corner - To make an inside corner.

4. H Joint & Décor Strip - To an H join or décor strip between panels.

5. Scotia - To finish the corner between wall and ceiling or floor and wall.

Colour options:
WZ1 White Satin, LO2 English Oak, GY1 Anthracite Grey

CORNER TRIMS

Internal and external corner trims connect skirting lengths – removing the need for mitring. They simply slot together for a perfect finish every time (adhesive required).

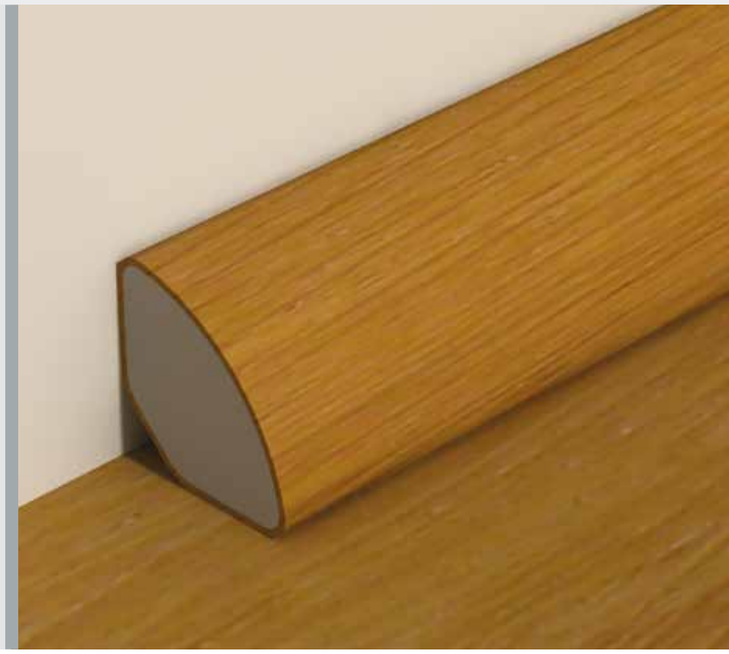

DOOR SURROUNDS

Our architraves perfectly frame doorways. The single door kit requires only four mitre cuts, then it all fits cleverly into place. Cover trims are available if required.

Finishing Trims

Precision-manufactured, the perfect finish for all projects

- Suitable for use around windows, floors and more
- Robust components designed for long-life performance
- Manufactured from lead-free calcium organic PVC-U compound – for minimal environmental impact
- Available in a choice of colours to suit all projects
