Stuart McMaster, Sales and Marketing Director of Relcross Ltd, said "We are very proud of our long relationship with the Bamford Group. They make superbly engineered door sets and we feel that our LCN closers are the ideal complement to such a quality product."

Relcross offers a free technical specification and advisory service to assist you in the correct choice of equipment. We keep substantial stocks of most products. Our team of trained specifiers will discuss problems, offer guidance, make recommendations and, most importantly, help on site if difficulties should occur. For help and advice please call us on 01380 729600, email sales@relcross.co.uk or complete the 'Make an Enquiry' form at the home page.
