## K700L.72.72.SC

Digital Lock (Levers) - Less Lockcase. SC Silver w. Stainless Steel Buttons

For external and internal doors where a high level of security is a requirement with a Euro profile key override facility

- Standard duty mechanism - Allows many hundreds of operations per day
- Entirely mechanical operation - No electronics or electrical wiring involved
- Allows code combinations of up to 12 buttons -
  Over 4,000 selectable code permutations (recommended 3 to 6 digit codes)
- Code scramble - Allows all codes to be entered in any order
- Slipping clutch mechanism - Nullifies forced attack or vandalism from the outside
- Brushed stainless steel buttons - Will not indicate usage
- Free exit - Dependent upon function descriptions pertaining
  to the chosen lock case/cylinder combination
- Passage function - Allows free passage from both sides at code users' discretion
- Key override - 72mm Escutcheons (x2) are included to accommodate
  Euro profile cylinders
- Accommodates all conventional DIN style cylinder lockcase heights
- Rebate Kits - Rebate kits are available for rebates
  @ 12.5mm and 25mm with certain sash lock or night latches
- Extended door kits - The default specification suits doors to 62mm thick.
  Thicker doors can be accommodated to special order. Please contact the sales office

Use the Keylex 700 series on all standard duty, high security external door installations and on any door where a flexible Euro profile key system is required. Always choose the K2100K option for military, police and fire service installations. The narrow stile Keylex 700 design, with its built-in clutch mechanism protecting the lock furniture, will suit all stile widths down to 45mm and is particularly suited for use on aluminium and hollow metal door sections. The Keylex 700 can be expected to give many years' service if specified and maintained correctly.

GUARANTEE 2 TWO YEARS

NB - Neither the lock case, nor the cylinder are provided with this item. They can be ordered separately here: Keylex Parts & Spares.

Standard Duty/High Security

Keylex 2100 Series | Keylex 900 Series | Keylex 800 Series | Keylex 700 Series | Keylex 500 Series

This version best suited to standard duty situations on external and internal doors where a high level of security is a requirement with a Euro profile key override facility.
