

FASTFLOW QUICK DRY SYSTEM

It's not just paint.
It's personal.®

Now part of the Hempel Group, a world leading coating supplier for the decorative, protective and marine markets, Crown Paints can trace its history over 200 years. It goes without saying that our highest priority still remains the production of high quality paints that meet our customers' needs.

Crown Trade is our premium quality professional paints brand. Developed to give vibrant colour, excellent coverage and consistent quality, Crown Trade is widely specified in both domestic and commercial environments and used by contractors, decorators and builders. Crown Trade is backed by market leading advice and a service that is second to none.

Crown Trade offers a complete range of proven premium quality products, ideal for every decorating situation, from our Covermatt emulsion for use in new build environments to our market leading Timonox Flame Retardant Coatings range, which can slow down the spread of flames, protecting buildings and lives in the event of a fire.

Contents

Why choose the Fastflow Quick Dry System?	03
Product - Quick Dry Gloss & Quick Dry Primer Undercoat	04
Product - Quick Dry Satin	05
The Right Partners For Your Job	06
The Right Service For Your Job	07

The Crown Trade Fastflow Quick Dry System uses Advanced Water-Based Technology. The water-based system provides a real alternative to solvent-based paints and is designed to save you time and money for the perfect finish.

ADVANCED WATER-BASED TECHNOLOGY

BREATHEASY FORMULATION

QUICK DRYING - 2 COATS CAN BE APPLIED IN 1 DAY

WATER-BASED WITH BENEFITS OF SOLVENT-BASED FINISH
