# Origins Wall Panels

Add a touch of sophistication to any project with this striking and contemporary range of wall panels. Featuring subtle but complex textures in a range of stylish colours, this highly durable and easy to install wall covering system ensures perfect results every time.

## Features:

- + Available in 16 contemporary decors
- + High pressure laminate faces on WPS plywood substrate
- + Each finish is available in three sizes: 1200mm square edge, 900mm and 600mm tongue and groove system
- + All wall panels are supplied 11mm deep
- + Minimal time and equipment required for installation
- + Hard-wearing structural grade material
- + Multiple extrusions available
- + Low maintenance bathroom solution

## Benefits

- + Add contemporary style to your space with a wide choice of decors inspired by the latest interior design trends
- + The printed paper design is impregnated with phenolic and melamine resins, dried and compressed to form a hard wearing high pressure laminate coating
- + Tongue and groove system provides a subtle, seamless finish and is an alternative to installing two panels with a straight joint profile
- + Quick and easy to fit with the items in your toolbox; no specialist skills or equipment needed to install
- + Wall panels are made of structural materials, which means fixtures such as shower seats and grab rails can be fitted securely, without impacting weight loading
- + A wide variety of extrusions are available, offering a solution to any installation challenge you may face
- + Maintenance free, no need for additional grouting
