# Street Furniture Catalogue

# Charter

50 litre

The Charter 50 is available in 2 models. One as standard with an open top, allowing easy access. The second with a optional fitted hood to reduce water ingress and access by birds.

Both versions are available in a range of 5 colour options.

## SELF-CLOSING LOCK

Opened with standard triangular key. Closing with slam-shut action.

## SECURE

Design of hinging hood with integral aperture helps prevent litter removal by birds.

## HYGIENIC

Smooth internal and external surfaces for easy cleaning. Bin is self-draining.

## LONG LIFE VANDAL-RESISTANT CONSTRUCTION

Impact resistant polyethylene body and lid has all through colour, will not rust, chip or flake.

## AESTHETIC

Soft rounded design is ideal for high pedestrian traffic areas and narrow footways.

# Dog Waste Bin

## 35 & 50 litre

Designed with municipal technical departments and dog owners in mind, the dog Waste Bin is the complete solution for the collection of dog waste.

Available in two sizes, 35 and 50 litres. The inside of the body is protected by a plastic sack for ease of emptying and cleaning.

The hygienic flap ensures users have no direct access to the contents. Odour is trapped by an odour absorber cartridge, which lasts around three months.
