138 100 994	M12 Expanding Bolt (4 required per bench)
-------------	---

### **Product details**

680mm x 600mm x 1875mm (h x w x l)  
48mm diameter tube  
3mm wall thickness  
Iroko hardwood slats (FSC Certified)

### **Installation & use**

Iroko hardwood is suitable for leaving untreated, the wood will naturally turn silver grey as time progresses.  
The bench requires bolting to a suitable concrete surface by means of four M12 bolts.  
This product is guaranteed for 12 months (*if installed and used correctly*).
